## Grand Knight's Message

### Augusto Caritos, GK CY 2017-2018

Greetings to my fellow Brother Knights:

We had worked so hard for the last 9 nine years of our council's existence and the last 5 months as your Grand Knight, I am very thankful for the unselfish support of our Brother Knights. We were able to accomplish many things. I'm very confident that our aim to be always united for a common cause will

continue in the coming months and years with the inspiration and guidance of the Holy Spirit. Our enthusiasm in serving God is manifested by the many projects we have so far achieved. Let us continue to keep the fire burning in our hearts as we find joy in serving God for the many blessings we receive every day. The accomplishment of our Council cannot be measured with the efforts we put into various projects and activities for the benefit of the needy for the last 9 years all for the glory of God.

As we begin the Advent season, let's carry out all our efforts in helping others with Jesus as the center of our lives. With God, nothing is impossible.

Here are some of the things we had so far accomplished these past five (5) months: (1) We helped and donated over \$5,600.00 to our St. Genevieve Church "Inspirational Building Campaign"; (2) Gave Plasma TV player, copying machine and educational CDs to Religious Education Coordinator Judith Morales; (3) Conducted Bingo games during the 3-days Parish Fiesta. (4) Participated in 40 Days for Life Campaign and some of us joined

some days in prayer outside the abortion clinic in Mission Hills, CA. (5) Giving a check donation of \$150.00 to "Loaves and Fishes", wheelchair, walker and canned goods. (6) Sold Tootsie Rolls for Intellectual Disabilities project headed by Worthy Warden and Chairman SK Rafael Garcia. (7) Participated in Soccer Challenges from Council, Chapter and State Levels led by our Youth Director Floyd Toledo held at Rancho San Antonio in Chatsworth, CA. (8) Held the successful Charity Golf Tournament led by Culture and Life Director & Chairman of the Golf Tournament SK Don Calvo with SK Maxluis Dominguez of Ways and Means Committee Chairman and Family Director SK Rodel Lumanog. Our Ladies of the Knights were also a big help in the food preparation, distribution and registration during the tournament at Porter Valley Country Club.

(9) Our Council's Ceremonial Teams headed by Team Captain Primo Sumagaysay for 1st Degree and 2nd Degree Team Captain SK Gerry Torres conducted exemplifications for the candidates, not only for our council but for other neighboring councils as well. Soon, the new 3rd Degree Ceremonial Team is expected to be certified for the convenience of all those who live in the San Fernando Valley. (10) Our council donated \$25.00 gift card for Winter Wonderland raffle prize of St. Genevieve Parish.

We have many more projects lined up in the coming months. It's a great pleasure to work with you Brother Knights. We hope that some of our Brothers will find time to serve God through our various council projects.

I'm very thankful to our Brother Knights: SK Gerry Torres and SK Bon Mendoza, for our Knight Line newsletter for their perseverance and hard work.

Thank you and God Bless us all!

From my family to yours "Merry Christmas and a Happy New Year! Vivat Jesus

## Triple Star Council Award Fraternal Year 2016-2017

The November issue of Columbia newsletter of the Supreme Council has shown that 2,200 councils received the **Star Council Award for FY 2016-2017**, the highest distinction awarded to local K of C council all over the United States and the entire Philippines.

The **St. Genevieve Council 14772** is one of the recipients of **Triple Star Award** as the name of **Past Grand Knight Salvador Jarencio** was mentioned on page 27 of the news which means that the council had achieved 300% its membership and insurance quotas as it conducted the required charitable and fraternal programs.

Out of 2,200 awardees, 239 councils had received the Triple Star Council award. In last month's business meeting, **District Deputy Vladi Rivera** of District No. 87 presented the engraved Plaque and 3 lapel Pins to **IPGK Salvador Jarencio, Former Deputy Grand Knight Freddie Sotto and Primo Sumagaysay, PGK**.

## Golf Fund Raising Tourney is a Big Success by Don Calvo, Chairman of Golf Tournament

On November 27, 2017, we had our golf fundraiser tournament at the Porter Valley Golf and Country Club which was attended by 65 golfers. The players were excited to win the 4 Hole-In-One prizes in 4 Par 3 holes. The prizes consisted of Hyundai Tucson SUV, a set of Titleist golf clubs, a Titleist driver and a Garmin Range Finder. However, no golfers made a hole-in-one.

The winners of the tournament were computed based on Callaway system scoring.

The winners of the tournament were: Scott Andersen - Champion, who won a trophy; Noel Alonzo, Runner up trophy; Jim Dougash, 1<sup>st</sup> Runner Up trophy; Jason Camago,

Longest Drive and Boy Respicio, Nearest to the Pin. The fundraiser tournament was a success as we were able to raise the amount of **\$5,604.35** to fund our community and charitable projects. My deepest appreciation to fellow Knights and their ladies for their wholehearted support in soliciting sponsors, recruitment of players and their physical presence during the tournament to help in the preparation of foods, registration and other activities.

This was followed with a sumptuous dinner at the Tropical Super Buffet in Northridge, CA which was well attended by the golfers as well as our council officers and members and some of our ladies. It was a fun night as more than 50 raffle prizes were generously given away.

## Congratulations - 3rd Degree Ceremonial Team

by PFN CJ. Hernando, New Council Development

After over a year of memorizing, practices, patience, and commitment, the sacrifices of these Worthy Brother Knights had finally paid off.

Under the very watchful eyes of CA State Ceremonial Consultant Jack Haney and Past State Deputy and Certifying Officer Dr. Ray Warriner, the group individually delivered their part cautiously and eloquently, with few minimal or minor advice for further improvement. The above State Officials gave us the green light after the presentation and forwarded the recommendation for certification by the Supreme Council to Peter Dreisbach, CA State Ceremonials Chairman, who in turn sent the request to the Supreme Council for the final and much awaited certification.

The performance of the team was held at St. Elisabeth Church school room in Van Nuys, CA last October 28, 2017.

This 3rd Degree Ceremonial Team was initially spearheaded by yours truly early of last year. Having been inactive for some time due to some ailment, I thought of a way to be constructive and

productive that can be performed without compromising my ailment. Being with the New Council Development team, I came to think of a way to encourage more parishes to form a parish based Knights of Columbus Council, but my leg problem would only aggravate my sickness, so I decided to form this team. to which to my belief could also contribute to my assigned duties and responsibilities.

After the final selection of the staffs from different councils, the following were selected for their patience, commitment, memorization, actions, and travel time to observe actual presentations of different 3rd Degree ceremonials in Southern CA: **Gerry Torres** as Conferring Officer; **Noy Binoya**, from St. Elisabeth Council, as Presenter for Fraternal Charge, **PGK Ver De Ramos** as Warden; **Jomon dela Rama** as Soundman; **DD Vladimir Rivera**, Our Lady of Peace Parish as District Deputy; **GK Augusto Caritos** as Inside Guard; **Rafael "Jojo" Garcia** as Warden's Aide; **PGK Eddie Valeriano** as Guard and Alternate PFC; **CJ Hernando**, PFN, FDD, From St. Genevieve Council as Ceremonial Team Coordinator.

Worthy Brothers, I salute you for a deserving job well done.

## CHRISTMAS PRESENTS TO THE CHILDREN

by Primo Sumagaysay, PGK

One of the main reasons we have the custom of giving and receiving presents at Christmas time is to remind us the presents given to Jesus by the Three Wise Men: Frankincense, Gold and Myrrh.

Through the initiative of Worthy Recorder Joe Acol and his family, we gave Christmas gifts this season. They were able to collect 52 assorted stuff toys of gifts coming from different sources. Brother Knights assisted Bro. Joe in preparing and wrapping the toys at the house of IPGK Sal Jarencio, prior to giving them away. Thanks Bro. Joe.

On December 16, 2017, the St. Genevieve Religious Education Program held their Christmas Party in Madonna Hall attended by 275 children plus teachers from St. Genevieve Elementary School. Tony and Judith Morales,

Religious Education Coordinators conducted the event. It's a kind of potluck party for the children and short program. All the children were given a raffle ticket.

The K of C Council No. 14772, led by Grand Knight Augusto Caritos, together PGK Primo Sumagaysay, FS Henry Osio, PFN Cesar Hernando, Church Director Orly Villalon, Family Director Rodel Lumanog, and Rene Maylad, had distributed the Christmas gifts to the lucky kids by raffle. Thank you, Brother Knights.

The Religious Education Program Coordinators, teachers and children were so happy and thankful to the St. Genevieve Council 14772 for their unexpected gifts given to the children during their Christmas Party.

# CHRISTMAS PARTY AND BIRTHDAY CELEBRATION

The Knights and the Ladies of St. Genevieve Council No. 14772 of K of C held their Christmas Party and Birthday Celebration of Brother Maxluis and Sister Maria Luz Dominguez in their Porter Ranch home last December 16.

It was a day of fun-filled activities which started with the blessing of delicious foods as lechon, lobsters and many more led by Sister Nenita Magtahas, fellowship and camaraderie of Knights, their ladies and some guests.

The singing and dancing of some talented Knights Paul Bulaong, Hercules Montiel, GK August Caritos,

PGK Virgilio de Ramos, Roy Castillo and Christmas carols by Knights and Ladies added joy and happiness to all.

Some of the highlights of the events were the singing of Happy Birthday song for Bro. Max, exchange gifts, drawing of raffle tickets courtesy of Bro. Max and GK Augusto, all day and night singing by a wonderful couple as DJ.

Merry Christmas and a Blessed and Healthy New Year to all!

Vivat Jesus!

## Immediate Past Grand Knight Message

by PGK Salvador Jarencio

My fellow Knights, it is of great satisfaction to see the growth of our Council and the maturity of our members. Looking back at the achievement brought about by the hard work and dedication that everyone continues to do in support of St. Genevieve Parish and the community we serve, gives delight to my heart. Some of the projects Council 14772 has started and are still on-going to this day have benefited people who are in need.

With these charitable works we did as brothers, the Supreme Council gave recognition to our Council with **Triple Star award** for Columbian Year 2016-2017. The Star Award included the Father McGivney Award, Founders Award and Columbian Award. These awards sent our Council to a new height. Our Council belongs to the top elite group of the Knights of Columbus.

District Deputy Vladi Rivera gave recognition from the Supreme Council to Immediate Past Deputy Grand Knight Freddie Sotto with a Triple Star lapel pin for his leadership role in the many projects our Council did to support the Parish and the Community we serve. He also gave a Triple Star lapel pin to Chartered Grand Knight Primo Sumagaysay for his extra ordinary effort in the Council's membership drive. Our Council had reached 300% in our Membership Quota. I am also grateful for the hard work that

our Field Agent Angel Reyes did for the Council we were able to reach 330% in our Insurance Quota. I am also thankful to Council Director Henry Osio for his leadership and loyalty to the Council. In our difficult time as we tried to overcome many challenges, he stood firm in rallying our members to continue to work hard so our projects would succeed. As your Grand Knight for Columbian Year 2016-2017, I also received the **Triple Star plaque** and the **Triple Star lapel pin** as well. Our Council received all these awards and recognition because of our hard work, dedication and commitment. Remember the single fiber that stands alone which snaps easily but put together with other strands of rope, it produces strength. We are like those strands of rope. Together we are strong and with strength, we can achieve our goals.

My brothers, let us move forward for a better tomorrow and let us unite for a successful year. Projects for the good of the Council, Parish and the Community are still lined up and as we always say "Watch out, more good things to come".

As the year 2017 ends and a new year is dawning, a new journey for greatness is on the horizon. My brother Knights, keep up the good work.

We are Knights of Columbus in service to GOD and man.

Vivat Jesus!

## Workers' Compensation: Know Your Rights

by Lawrence E. Ivey, Esq.

If injured at work, notify your employer as soon as possible. They are obligated to give you the necessary form for you to file a workers' compensation claim. Once the claim is open and accepted, free medical treatment will begin. You have the right to medical treatment as part of your accepted claim and your employer must provide all reasonable treatment related to your injury that is necessary to cure or relieve the effect of the work-related injury. If you are off work due to the injury, then you have a right to receive other benefits. Also, there is a chance that the employer may deny the claim.

Your injury may be classified as either a specific injury or cumulative trauma. What's the difference? Well, a specific injury involves one specific event causing injury (lifting a box, tripping, etc.) while a cumulative trauma occurs over a period of time.

When planning to retire, most employees do not think about their rights protected by California workers' compensation law. You should consult with a workers' compensation attorney to determine if you have a right to be paid for any disability

that arose over your many years of employment. Such a consultation is free since California law only allows an attorney to be paid 15% of any settlement if such a claim is filed. It is best to meet with the attorney 6 to 12 months before the date of your planned retirement, if possible. It is not advisable to wait until after you retire.

You may ask, do I need an attorney to help me with the process even if my employer is being very helpful with my claim and I am receiving medical treatment? My recommendation is yes. Why? Legal representation will provide for you the best medical treatment and other benefits about which you may not be aware. I recommend seeking an attorney that specializes in workers' compensation who is certified by the California State Bar. A certified attorney will be up to date with all the laws governing this field of law and will be familiar with all the benefits that may apply to your individual case.

As your case moves forward, your employer must establish a utilization review process. It is the process by which your employer or other entity reviews and approves, modifies, delays or denies physician requests before, during or after

providing medical treatment services. Utilization reviews can occur before, during or after medical treatment to determine if the treatment is warranted. Treatment can be modified, delayed or denied based on the results of the review. The utilization review decision is valid for 12 months. During this process, your attorney will be representing your medical needs and will be fighting to assure you receive the best medical treatment.

Once the doctor finds your condition stable then he decides if you have any permanent disability. If you have some permanent disability, then you may also qualify for life-time future medical care. Such benefit may be quite valuable.

The laws regarding workers' compensation may seem quite simple, but they are complex as they are applied to your case and the direction of your medical treatment.

**Lawrence E. Ivey** is a Knight with St. Genevieve Council 14772. He owns The Ivey Law Firm with offices in Glendale and San Francisco, California and is a proud graduate of a Catholic law school, the University of San Diego.
